How to place an order

The earlier you call or text the more likely we are able to accommodate your preferred pickup time. Text your order between 6am-1pm via 401-419-8480 or call the restaurant during business hours.

What we will need to know

- Restaurant pickup location: Clarkston or Rochester
- Name
- Phone Number
- Make, Model and Color of Car
- Preferred Pickup Time
- Credit Card* (or cash upon pickup)
- Food Order

*prepayment over the phone is requested. It lessens the likelihood of cross contamination on pens, credit cards and door handles. No need to sign your credit card slip either. Should you decide to leave a gratuity we would be happy to make said adjustment for you. You can do so at time of prepayment or at pickup and we can text a copy of the final bill.

2. Call the restaurant and let us know you are here.
3. When you see us carrying your food **open your car door/trunk/window for us.** We will place the food there so you can secure it.
4. The receipt will be stapled to the bag. Let us know if we need to adjust it.
